

CALL FOR PRESENTERS

THE MALDIVES
FINANCE FORUM
2023

The Future of Finance:
Exploring the Intersection
of Fintech and AI

Let your Fintech and AI stories be heard

The Maldives Pension Administration Office invites local professionals engaged in Fintech and AI to present research and showcase products/applications at the Maldives Finance Forum 2023.

The purpose of this initiative is to provide a platform for local professionals to share their knowledge and perspective on the Global Fintech landscape, its relevance and current state of Fintech in Maldives. Additionally, this will also serve as an opportunity for innovative developers to present their Fintech products/applications.

About The Maldives Finance Forum

The Maldives Finance Forum is an annual event organized by the Maldives Pension Administration Office with the aim of providing a platform for exchanging knowledge, ideas and perspectives on a range of subjects relevant for the development of the Maldives Financial Sector. The forum agenda for each year is set around a theme selected based on its potential to contribute to the development of the financial sector.

The theme for Finance Forum 2023 is “The Future of Finance: Exploring the Intersection of Fintech and AI”. This year’s forum is anticipated to be a grand event with International and local Fintech experts/professionals as keynote speakers, panelists, presenters and leaders of the Maldives Finance and Technology industry in attendance.

Format and Content

Individuals or parties interested in presenting at the forum are required to submit proposals to present in any one of the following categories.

Exploring international financial technologies: A comparison to Maldives

Presentation of Fintech / AI products developed by locals

The proposals must include a summary of the presentation structure as well as the relevant ideas to be addressed. The proposals must be composed in English and should not exceed 2 pages.

Submission Process

All proposals must be submitted via email to **mff2023@pension.gov.mv** along with the presenter's profile. The Finance Forum Organizing Committee will review and select submissions. If accepted, full presentation and any other required materials must be submitted by May 20, 2023. The committee may review and suggest revisions to the presentation materials for the presenter's consideration.

Guidelines for presenters/speakers

- Time allotted for each presentation is **10 minutes**.
- Presentations should be informative, newsworthy or useful content.
- The speaker must obtain any clearances, permissions required from third parties to share details of the technology/content being shared.
